## Beavers and Cubs

Satellite Sections of 2nd Driffield Scout Group meet in the Church Rooms, Langtoft on Friday evenings during term time. Both Sections are doing well and there are more children asking to join. To enable the Sections to grow and develop; and concentrate on age-appropriate activities and badge-work, they will now meet at different times as follows:

Beavers 5:15 – 6:15pm

Cubs 6:30 – 8:00pm

We do need more adults to get involved with both Sections: there are various roles and flexibility as to frequency of the help. It is a very rewarding experience and great fun working with the young people whilst also making new friends.

If you have a child who would like to join, or if you would like to volunteer, please contact Group Scout Leader, Mrs Valerie Salter on 01377 272234 for more information.

## Tractor Run 2019

What another wonderful day was had! This was the third Tractor Run held in memory of Charles Dowson and 72 tractors completed the course which was our biggest number of entries to date. The weather yet again was perfect and the route Neil had devised took the drivers into some amazing countryside they hadn't realised was there!! (Even locals!!) The lunch held at the end was very highly praised... being "proper homemade"!!

Thanks must go to the army of helpers (too many to name) who stewarded traffic, baked, sold raffle tickets and helped in any way on the day and to all those who took part. Thanks also to our hosts for the day and to all landowners whose land was used.

As well as being a wonderful social occasion an amazing £1700 was raised which is destined to be used to repair the bells at St Peter's church. Thank you everyone.

## Thwing & Octon Parish Council

We were very sad to lose Cllr Mike Burdass from the Parish Council following the elections in May.

Mike has served the community as a local councillor for 58 years. A remarkable achievement. The Parish Council would like to express their thanks to Mike for all his hard work, contribution and dedication to the parish. It has been a great pleasure and privilege to work with him, and as a small token of our esteem Mike was presented with a monkey puzzle tree.

Thank you Mike, your presence on the Council will be very much missed.

### VE DAY 75

The 8th May 1945 was the day peace emerged after nearly six years of war, so the 75th anniversary on the 8th May 2020 represents an important milestone in our history. We do not wish to let this day pass without reflecting on the enormous

sacrifice, courage and determination of people from all walks of life who saw us through this dark period. Our celebration, VE Day 75, will cover the weekend of 8th May -10th May 2020, and will be an international celebration of peace - a time to remember, reflect and pay tribute to the millions who played such a vital part in achieving it.

The Parish Council and Community Benefit Society would like to make this weekend into a celebration of remembrance and thanksgiving and we are asking for community volunteers and ideas as to how this can be achieved.

More information is on our web site.

Thwing & Octon Community Benefit Society  
The Grange, Main Street, Thwing, YO25 3DY

Thwing & Octon Parish Council  
29.05.2019

Dear Councillors,

It is with much regret that Andrew and I after consultation with other members of the society have decided that the Thwing & Octon Community Benefit Society should be closed.

The reasons for our decision are complex, but mainly we are at an impasse with the owners of the pub, who are asking £250,000 for a property that we feel is worth less than a £100,000. Without having at least an agreement of sale in place, the CBS are unable to source funding to take our plans forward. The cost of renovations, demolition to the rear building and rebuilding, kitchen, cellar and stores together with a disabled access entrance and cafe area and new recreation hall we estimate to be in the region of £600,000. and we applied and have been granted pre-planning permission for this work. However, we believe that the Falling Stone is now in such a dilapidated state that it would be undoubtedly be cheaper to build a brand-new pub and recreation hall, but for this we would need to be offered a suitable plot of land within the village.

The other reasons for our decision are, that we feel that there is now little support for both the reopening of the pub, or for any fund-raising activities that we may arrange.

The CBS is lacking in members, and although we have done all the preliminary work in organising another major fund-raising event on the 7th September, A Proms night, we need volunteers and new committee members to register, as we cannot do this on our own.

The financial status of the CBS stands at approx. £1000 the cost of toilets, tickets and advertising for the Proms Night would take most of this, and without community support we now feel that the risk is too great. As you know the cost of funding the Armistice Weekend Events was met by funding from ERYC, without which we would have incurred a loss.

A lot of work has gone into getting the CBS to the point where we are, we have successfully fought 2 planning applications, and the reasons behind the refusal of change of use from commercial to residential is still valid. We have written constitutions, and Finance regs and a business plan and were at the stage where we were almost ready to launch a share offer, but again without even a provisional sale agreement we can go no further. We are registered with both the Plunkett Foundation and the Financial Conduct Authority.

Sandra Morrison  
Secretary
