Beavers and Cubs

Satellite Sections of 2nd Driffield Scout Group meet in the Church Rooms, Langtoft on Friday evenings during term time. Both Sections are doing well and there are more children asking to join. To enable the Sections to grow and develop; and concentrate on age-appropriate activities and badge-work, they will now meet at different times as follows:

Beavers 5:15 – 6:15pm

Cubs 6:30 – 8:00pm

We do need more adults to get involved with both Sections: there are various roles and flexibility as to frequency of the help. It is a very rewarding experience and great fun working with the young people whilst also making new friends.

If you have a child who would like to join, or if you would like to volunteer, please contact Group Scout Leader, Mrs Valerie Salter on 01377 272234 for more information.

Lissett Wind Farm Home Security Fund Update

ERYC have been awarded a further £3,000 from the Lissett Community Wind Farm Fund for home security in our area and with an additional £1,000 from East Riding of Yorkshire Council, the total amount available was £4,000. They still have over £2,000 to spend and the fund is available until 31st March 2020.

As per the last two awards, referrals can be made by three groups: Neighbourhood Watch Coordinators, Parish Council Clerks and Humberside Police.

The fund is available to all residents living in East Wolds and Coastal area, although additional priority should be given to victims of dwelling and non-dwelling burglary, those over 60 and vulnerable adults.

The police have guaranteed their support of the project by providing an allocated officer to assist in making referrals. As always we hope that the project will lead to reductions in the fear of crime and a reduction of dwelling and non-dwelling burglaries throughout the East Wolds and Coastal Ward. This new award will help us to continue to make the area a safer place to live.

Referral can be done through the Parish Council, if you wish to benefit from this fund, please contact me at The Grange, Thwing or email: thwing.clerk@outlook.com

Thwing & Octon Fun Show

Thwing Show has been resurrected after a gap of a quite a few years. Despite many worries and doubting Who would support it we feared? Would it be welcomed and greeted with pleasure and ideas anew and would it be as successful, set out in its new smaller venue. Well now we all know the answer the day was bright as the sun with entries galore and more people all sharing the laughter and fun. So thanks to all those who attended, those who entered the things they had made and thanks to all who supported to help with the money they raised. Well done to you Chris, you should feel proud The day turned out really well. There is much more that I could mention BUT, I don't want your head to swell.

Mary Summerville

THWING MERE PROJECT

You may have noticed that Thwing Mere is undergoing change.

Thanks to funding from The Postcode Local Trust and Tesco Bags of Help your Parish Council have been busy controlling weeds and pruning trees and restoring this space into a haven for wildlife and a useable community area.

We hope you will enjoy it for many years to come, but we need help to manage and maintain the area.

We also need additional help to maintain our village planters and other areas, as well as keep the parish free of litter.

All we need is your time, plants and compost will be supplied by the Council, as will high viz jackets, Litter picking sticks and black bags for willing litter pickers.

Let's Celebrate as we Remember

VE Day – The 8th May 2020 represents an important milestone in the history of our communities, our nation, and indeed the world. The 8th May 1945 was the day, 75 years ago, that peace broke out in Europe and brought an end to nearly six years of war and carnage. We cannot, therefore, let this day pass without reflecting on the enormous sacrifice, courage and sheer determination of the people from all walks of life, from so many local communities, who saw us through this dark and frightening period.

Those Armed Forces from many countries who gave their lives for us all, and those who returned home injured in body, mind and spirit. The hard-working women and men who kept the factories, mines, shipyards and farms operating throughout the years of hardship and turmoil. The ARP wardens, those who toiled in the fields, the police officers, doctors, nurses, fireman, local defence volunteers and others who put their lives on hold to safeguard the home front.

VE Day 75, which has been extended to cover the weekend of 8th – 10th May 2020, will be an international celebration of peace – a time to reflect, remember and pay tribute to those many millions who played such a vital role in achieving it.

Thwing & Octon Parish Council would like to take part in this unique celebration / commemoration.

Ways we can get involved include raising a glass as part of the 'Nation's Toast to the

Heroes of WW II,' undertaking the 'Cry for Peace Around the World' by a local Town Crier or individuals from local communities, the ringing of church bells, the organising of street parties, parties in the reading rooms or other premises, or outdoor space, along with organising services of celebration and commemoration in our church as part of VE Day 75.

We need your support and thoughts. Please let us know how you wish this Parish to mark this special day.
