1168. Received update on highway/street scene issues

- a. Reflective posts are to be completed in the new financial year
- b. Update from Cllr Burdass regarding Overgrown trees on main street

Following a site meeting with a Council representative; our Forestry Team have confirmed that the trees on Main Street closest to the junction with Butts Lane form part of the boundary feature and therefore would be the responsibility of the adjacent landowner to cut back. However, the tree that sits forward of the boundary a little further up the road now has a job issued to be cut back by the East Riding of Yorkshire Council Forestry Team. This Tree is pending reduction works by the utility company to reduce it back from the overhead power lines and to remove the stem to prevent future problems with this tree.
